Getting Service

Always read the "Solving Computer Problems" chapter of your *User's Reference* before calling IBM.

During the warranty period, you can get help and information from International Warranty Service (IWS) in your country. Before you call, fill out the front of this card. Also have:

The exact wording of any error messages
Hardware and software configuration information
A description of the problem
Information and serial numbers of any options installed on your system

International Warranty Service Information

This IBM product is eligible for IWS wherever your machine type is sold by IBM. Your computer must be registered to receive international service. To register, call one of the following IWS offices:

Southeast Asia, Australia, New Zealand, and Hong Kong:	61-2-9354-4171
Canada, Latin America, and the U.S.:	1-800-497-7426
Europe, Middle East, and Africa:	44-1475-893638
Japan, Korea, China (except Hong Kong), and Taiwan:	81-462-73-7598

Help through a ThinkPad Web Site

The latest information about ThinkPad computers:

➡ **http://www.ibm.com/thinkpad**

Technical support information:

➡ **http://www.ibm.com/support**

ThinkPad Configuration Program

You can customize your hardware system settings with the ThinkPad Configuration program. To start the ThinkPad Configuration program, double-click on the **ThinkPad** icon at the right side of the taskbar.

For more information, click on the **Help** button ( ).

TrackPoint Setting: You can customize such TrackPoint functions as **Press-to-Select** and **Sensitivity**.

Click on the **TrackPoint** button ( ).

Battery Status

You can monitor the battery status with the Fuel-Gauge program. To start the Fuel-Gauge program, click on **Start** and move the cursor to **ThinkPad**; then click on **Fuel-Gauge**.

For Further Information

You can find the following information in your ThinkPad user's manuals.

User's Reference	Online User's Guide
Getting familiar with your computer	Using your computer outside your home country
Extending the features of your computer	Using the audio feature
Protecting your computer	Using your computer with a battery pack
Solving computer problems	Using your computer with a PC Card
Getting service	Frequently asked questions
Features and specifications	Installing software
	Using system management
	Using PS2 commands

Note: To see the *Online User's Guide*, click on **Start** and move the cursor to **Programs** and **ThinkPad 560**; then click on *ThinkPad 560 User's Guide*.
