Twice as many reasons for choosing Toshiba.

Today, there are not just one, but two compelling reasons for discovering the benefits of mobile computing with Toshiba: the new Satellite 2140CDS and Satellite 2180CDT business notebook solutions.

These, the latest additions to the entry-level Satellite range, offer the perfect introduction to mobile computing with a winning combination of powerful performance and unbeatable value for money.

Both come with Toshiba's legendary build quality, both offer a powerful set of specifications and features, and both have a price tag that will leave you pleasantly surprised. The only problem is: which one to choose?

So much technology in one elegant package: The new Satellites in detail.

The intelligent way to expand your horizons.

Sounds good too:
The Toshiba Bass Enhanced Sound System delivers out-standing audio for music and games.

Looking good:
12.1" DSTN (2140CDS) or 12.1" TFT (2180CDT) colour display for brilliant image quality.

Keeping your options open:
Both models come with an integrated diskette drive and 24-speed CD-ROM drive as standard.

Instant access:
Easy Keys offer fast Internet access and CD entertainment at the push of a button.

Always well connected:
Integrated V.90 data/fax modem offers fast Internet access and fax communications where-ver you are in the world.
